

# JERWOOD **CONTEMPORARY MAKERS**

## EXHIBITION EVENTS

### **MONDAY 29 JUNE 6-8PM: 'BRING AND MAKE' NIGHT**

Share your knitting problems, make a domino floor pattern and craft your very own paper lanterns at the Jerwood Contemporary Makers 'bring and make night'.

Taking place at the Jerwood Space, this hands-on, interactive night will be led by Linda Florence (textiles), Claire Norcross (lighting) and one of the UFO Project Administrators. All creations will be photographed at the end of the night!

Visitors are invited to bring along their unfinished – and problem - knitting for the UFO Project Administrator to solve.

This evening is part of a series of events taking place to coincide with the Jerwood Contemporary Makers exhibition, which runs until 19 July. The final event in the series will be held on 6 July.

### **MONDAY 6 JULY 6-8PM: MEET THE MAKERS**
